**M**y name is Marion Esposito and I am the Founder and Event Coordinator of the Loudoun Pet Expo. I started this event to promote community support and awareness for pet/animal businesses, organizations, non-profits and rescues. As the pet expo grows, more of our local business have been able to participate in the event as well because I feel that each one has something unique to offer.

I also wanted to provide a family-friendly event for the community at no cost. The Loudoun Pet Expo is meant to be enjoyed by people of all ages. We are surrounded by animal lovers of all kinds. There are those who consider their pets as family members, people who work tirelessly to rescue animals from unfortunate situations, others are putting in countless hours to find forever homes for horses, dogs, cats and those adorable small animals like guinea pigs, rabbits, hamsters and many more. People have found their passion in creating pet-friendly businesses of all kinds which are also represented here at the pet expo.

Thank you for coming today and supporting the Loudoun Pet Expo. I hope you enjoy meeting our vendors and all the animals. May this event be one you look forward to attending every year!

Marion Esposito, Founder/Event Coordinator
