Marion Esposito, Founder
Event Coordinator

My name is Marion Esposito and I am the Founder and Event Coordinator of the Loudoun Pet Expo.

I started this event in 2014 to promote community support and awareness for pet/animal businesses, organizations, non-profits and rescues. I also wanted to provide a family-friendly event for the community that would be educational, informing and fun. This is the place to be to engage with other pet lovers, get to know the vendors, and enjoy all that the pet expo has to offer. It is my hope that this event will be one you look forward to attending every year!

Pawsome Pups Dog Training

What's more impressive?

A trainer who never has to touch a dog and can get behavior willingly or a trainer who has to use shock, choke, pinch collars, and use physical manipulation and force to train a dog?

Choose wisely and find a positive rewards based dog friendly trainer!!!
